AHMADIYYA
MUSLIM JAMA'AT
Windsor

The Ahmadiyya Muslim Jama'at Windsor, in collaboration with the **City of Windsor** and the **Windsor Regional Hospital Foundation**, is excited to hold its **4th annual Run for Windsor** on **Saturday ,May 18, 2024** ,at **Malden Park in Windsor** . The proceeds from this fundraiser will go towards supporting the **Windsor Regional Hospital Foundation**.

Run for Windsor event, had successfully raised over \$46,000 through the support of approximately **600 participants**. It is only with your help that we can make this year's event even bigger and better. So whether you are a professional marathon runner, a jogger who enjoys staying active, or looking for a fun family event for a good cause, we invite you to take part in this fundraiser to support our local community. Bring everyone you know to run, jog, or walk your way to more accessible healthcare.

The AMJ Windsor has long served the Windsor-Essex community, which its members have called home for generations. Community members are committed to the development and future of this region and are proud to connect with and support local organisations whenever possible. We are proud to be part of the rich cultural fabric of Windsor, which is defined by its commitment to respect, diversity, and the spirit of helping and uplifting one another.

The community's motto, "**Love for All, Hatred for None**," encourages members to look after the interests of all members of society. It was this spirit that led to the nationwide launch of "Run for Canada" charity events 13 years ago. Each of these events, held from Calgary to Vaughan, have cumulatively raised hundreds of thousands of dollars for health-care initiatives in their respective communities. Run for Windsor is proud to continue this tradition. Please be sure to join us for this year's Run for Windsor. Spread the word and register by visiting www.runforwindsor.ca

Messages of Endorsement

Love for homeland is part of the Ahmadiyya Muslim faith and this initiative, to help make the region's vision for a new Windsor-Essex Hospitals System a reality, is a clear demonstration of this," says Windsor Mayor, Drew Dilkens. "The new system will transform the delivery of healthcare in Windsor-Essex. This event gives all of us an opportunity to get some exercise while contributing in a meaningful way to the future of healthcare in this region.

Drew Dilkens - Mayor City of Windsor

Choosing to support the future Urgent Care Centre at the former Grace site through the Run for Windsor event is a great testimonial to the future of the Windsor-Essex Hospitals System.

I thank the Ahmadiyya Muslim Jama`at for this forward thinking to improving access to state-of-the-art healthcare facilities for the citizens of Windsor and Essex County.

Love for All – Hatred for None

David Musyj - President and CEO Windsor Regional Hospital
