What is Run For Windsor?

- Run for Windsor (RFW) is an annual community run/walk that brings Windsor & Essex County community together to support **Windsor/Essex Healthcare System**.
- Its purpose is to promote health, unity, and charitable giving across the city.
- Every dollar raised goes directly toward enhancing local healthcare, making a meaningful impact for families, neighbours, and future generations.
- RFW has donated close to **\$110,000** to this day.

Endorsements

Lal Khan Malik – President AMJ Canada

Our motto '**Love for All Hatred for None**' instills in us the spirit to serve our community. Run for Windsor is a community effort for a community cause. I hope and pray that this initiative achieves its goals and continues to serve this community for generations to come.

Drew Dilkens, Mayor- Windsor, Ontario

I am proud, once again, to show my support for the **Run For Windsor** event organized by the Ahmadiyya Muslim Elder's Association of Windsor/Essex. This event has become a great example of what our community does best, coming together, giving back, and supporting an important local cause. Over the years, this event has brought our community together, raising close to **\$110,000** for WRHF and supporting healthcare and the new hospital in our region. This year's RFW takes place on **Sept 19th** at Malden Park, and I encourage Windsor residents, families and friends to get involved. Whether you are running or walking, donating or simply cheering others on, every contribution helps make a difference for the new hospital and our community.

Kristin Kennedy, President & CEO, Windsor Regional Hospital

I am absolutely thrilled to be able to announce that 6th annual RFW will, once again, support Windsor Regional Hospital Foundation and the new Fancsy Family Hospital. Over the years, this incredible event has raised over \$107,000 for the new hospital. Please join us on Sept 19th at Malden Park for another successful year for Run For Windsor.
